

PROGRAMME COMMITTEE

Andrea TEGLIO (Chair) - Universidad Jaume I, Spain
Simone ALFARANO (Co-Chair) – Univ. Jaume I, Spain
Frédéric AMBLARD - Université de Toulouse 1, France
Bruno BEAUFILS - LIFL, Université Lille 1, France
Giulio BOTAZZI- Scuola Superiore Sant'Anna di Pisa, Italy
Olivier BRANDOUY – University of Paris 1, France
Charlotte BRUUN - Aalborg University, Denmark
Andrea CONSIGLIO - Università degli Studi di Palermo, Italy
Giorgio FAGIOLO- Scuola Superiore Sant'Anna, Italy
José Manuel GALÁN - Universidad de Burgos, Spain
Hardy HANAPPI, University of Technology of Vienna, Austria
Florian HAUSER - Universität Innsbruck, Austria
Cesáreo HERNÁNDEZ- Universidad de Valladolid, Spain
Juergen HUBER- Universität Innsbruck , Austria.
Wander JAGER - University of Groningen, The Netherlands
Marco LICALZI - Università "Ca' Foscari" di Venecia, Italy
Philippe MATHIEU - LIFL, Université Lille 1, France
Rosario MANTEGNA- Università degli Studi di Palermo, Italy
Mishael MILAKOVIC, University of Bamberg, Germany
Akira NAMATAME - National Defense Academy, Japan
Juan PAVÓN - Universidad Complutense de Madrid, Spain
Paolo PELLIZZARI - Università "Ca' Foscari" di Venecia, Italy
Denis PHAN - CNRS & University of Paris IV-Sorbonne, France
Marta POSADA- Universidad de Valladolid, Spain
Marco RABERTO, Università di Genova, Italy
Juliette ROUCHIER - GREQAM, France
Enrico SCALAS - Università del Piemonte Orientale, Italy
Klaus SCHREDELSEKER, Universität Innsbruck, Austria
Elpida TZAFESTAS - University. of Athens, Greece
Tim VERWAART -Wageningen University, The Netherlands
Murat YILDIZOGLU, Univ. Montesquieu Bordeaux IV, France

STEERING COMMITTEE

Dr. Andrea Teglio (Universidad Jaume I de Castellón, Spain)
Dr Cesáreo Hernández (Universidad de Valladolid, Spain)
Dr Paolo Pellizzari (Università "Ca' Foscari" di Venezia, Italy)
Dr Tim Verwaart (Wageningen University, Netherlands)

ORGANIZING COMMITTEE

Andrea Teglio; Simone Alfarano; Eva Camacho
Miguel Ginés; Thomas Lux

CALL FOR PAPERS

We invite you to submit a paper to The 8th International Conference in Artificial Economics, taking place in Castellon de La Plana (Spain), 6-7 September 2012.

AIMS AND SCOPE

The main aim of the event is to favor the meeting of people and ideas from both, the Computer Science community and the Economics and Finance community, in order to be able to construct a structured multi-disciplinary approach to the complexity of Economics.

Topics include but are not limited to the following:

- Agent-Based microfoundations of macroeconomic activity
- Simulators for macroeconomic policy
- Discrete Choice Models in Economics and Management Sciences
- Emergence and Dynamics of Norms and Conventions
- Financial Market models
- Agent-Based Methodological Issues
- Dynamics of Social and Economic Networks
- Complexity and Market Dynamics
- The interaction between Experimental and Computational Economics
- Organizations and Management Science

INVITED SPEAKERS

Giovani DOSI, Sant'Anna School of Pisa, Italy
Cars HOMMES, University of Amsterdam, the Netherlands
Silvano CINCOTTI, University of Genova, Italy

IMPORTANT DATES

- Submission of short papers deadline: February 15th, 2012.
- Notification of acceptance: March 30st, 2012.
- Submission of final paper deadline: April 30th, 2012.
- Artificial Economics 2012 in Castellón (Spain), September 06-07th

SUBMISSION

The short version of the paper to be reviewed must be 5 pages long. The long version of the accepted paper must be 12 pages long.

Authors should respect Springer typesetting guidelines. Formatting instructions for the papers are available through the website of the conference at: <http://lee.uji.es/ae2012>

PUBLICATION

Proceedings of the symposium will be published as a volume of the Lecture Notes in Economics and Mathematical Systems serie published by Springer.
